MAYOR AND EXECUTIVE DEPARTMENT
Division of Citizen Services
Division# 03-1519

Goals

The Division of Citizen Services was created within the Executive Department to establish and maintain a centralized computer based system and procedures for receiving, processing and responding to inquiries, service requests, complaints and suggestions from citizens in a timely, accurate and professional manner. The end result of this effort culminated with the creation and development of a centralized response center for citizen complaints, requests for services, and referrals to appropriate departments, agencies and other service providers. Since its inception, the Division has acquired several ancillary programs aimed at working with residents, block clubs and community-based organizations to better service the community at large.

The Division of Citizen Services also houses Mayor Byron W. Brown's Quick Response Teams, comprised of the Buffalo Urban Renewal Agency's Clean & Seal crew and the City of Buffalo Mayor's Impact Team; federal Department of Justice's Save Our Streets program; the newly-formed Anti-Graffiti and Clean City Program; and the Office of Citizen Participation & Information.

Activities

1. Mayor's Call and Resolution Center - The 311 Call Center assists City agencies to provide efficient service delivery by allowing them to focus on their core missions and manage workloads efficiently, while providing insight into the needs of residents and ensuring that accurate and consistent services are delivered citywide to improve the quality of life for the citizens of Buffalo, New York.
2. Quick Response Teams (Clean and Seal Crew and Mayor's Impact Team) - Mayor Brown's Quick Response Teams are dispatched as first responders to quality of life issues throughout the City of Buffalo.
3. Community Crime Prevention Initiative - Funded through Community Development Block Grant dollars, this program, working in collaboration with the Buffalo Police Department, Buffalo Public Schools, the Department of Citizen Services, and other city staff and officials, citizens, civic leaders, and business representatives, is a community-wide strategy for crime reduction and blight removal.
4. Save Our Streets Program - The Justice Department's Save Our Streets program investigates illegal drug activity and uses city statutes and laws to evict tenants who commit illegal acts from rental homes and works with homeowners to process evictions due to illegal or drug activity in residential properties.
5. Anti-Graffiti and Clean City Programs - The office acts as a liaison between the Division of Citizen Services; the Buffalo Police Department; Department of Economic Development, Permits and Inspection Services; Department of Public Works, the community and other organized groups, educating the public on graffiti prevention and removal as well as clean city beautification initiatives.
6. Office of Citizen Participation and Information - This office is charged with implementing and coordinating various initiatives, with the underlying intent of engaging residents and empowering them with knowledge of where to access information, resources and municipal services. Within this office, several programs such as the Mayor's Citizens' Participation Academy, and the Urban Fellows Program have been executed.
